

Biomedical Engineering Seminar Series

2nd Semester, Academic Year 2015

Date: March 29, 2016

Time: 10.00-11.00 AM

Room 6373, 3rd level, Building 3,
Department of Biomedical Engineering,
Faculty of Engineering;
Mahidol University

Duangporn Polpanich, Ph.D.

**National Nanotechnology Center, National Science
and Technology Development Agency,**

**"Functionalized Magnetic
Nanoparticles for Parasites and
Bacterial Detection"**
